## THE ARC OF GRAYS HARBOR'S MEMBERSHIP

*JOIN US IN MAKING A DIFFERENCE!*

Membership or partnering with The Arc is vitally important for many reasons. It's more about numbers than money. Your membership shows that you care about people with disabilities and want to help create a better life for individuals and their families. The number of members shows legislators and granters how many people in Grays Harbor share the same concern. The higher the number, the stronger the voice. The proceeds from memberships help fund The Arc programs and services provided to the people we reach out to. It also gives you membership with The Arc at the state and national level.

It's through the support of caring people like you that it is possible for The Arc to continue offering programs and services that help support an inclusive community for ALL people to live, work, and play. Your partnership with The Arc also strengthens the voice that goes to Legislation to advocate for funding for services and programs needed for people with disabilities and their families.

There are three levels of membership, Individual - \$10, Family - \$30, and Business - \$45.

There are three ways to make your membership payment, by check, cash, or PayPal.
